

# Your S.M.I.L.E. Program in 2020! 29<sup>th</sup> Year

**Praise the Lord** for your helping hands, opening on May 11<sup>th</sup>, as scheduled and staying covid free. The parents and agencies were delighted we were open and to have some normalcy for their children and clients.

Hi! My name is Skylar.

I am 6 years old, and this was my first summer learning to ride at S.M.I.L.E.

First, I Brush Freddy

Next, I take the old halter off and put the good halter on.

Up up and away with the blanket.

The saddle takes a lot of muscle.

Tightening the cinch is very important.

This is Freddy's bridle, I use the reins to stop and turn.

While riding in the trees one day I stopped and picked a flower.

There are lots of fun things to do in the arena.

After I put all of Freddy's tack away, I give her a hug and say, "I Love You," see you next week!

Hi! My name is Leo  
I am 4 years old and this is my second summer.

I remember how to take the old halter off and put on the new halter. Also, where to hang the old halter while I am riding.

I know the blanket is next.

Tighten the cinch and grab Freddy's  
bridle off her hook.

Finally my helmet!

I am free at last to ride in the trees,  
My favorite!!

Now, it's time to put  
everything away,  
just when I was  
getting the  
hang of it.

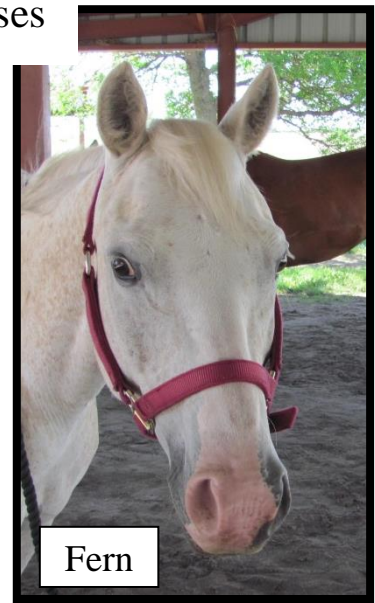

Meet our three new S.M.I.L.L.E. Horses
